Dear School Principal,

Greetings!

It gives me pleasure to inform you that as in the year 2016, Kazakhstan National Federation of UNESCO Clubs in cooperation with the Foundation of the first President of Republic of Kazakhstan-Elbasy and the Asia Pacific Federation of UNESCO Clubs and Associations are organizing an **International Art Festival** under the auspice of UNESCO: **"The Planet of Art"**. It is dedicated to the 20th Anniversary of the capital of Kazakhstan, Astana. Theme for the art competition is **"Astana – the city for peace"**.

Students in the age group of 3-17 years are eligible to participate in this competition. Entry Guidelines together with the Entry Form is enclosed. It is not necessary that the students make drawings/ art works in school in presence of the teacher, they can do it at home as well. However, it is essential that the art works to be sent to the organizers are certified by the school to be the original work of participants. Please send us 2 art works only from five specified age groups (maximum 10 best selected art works). **There is no participation fee.**

I am sure that a large number of children of your school would participate in this interesting art festival.

For clarification, please write to us at: dhirendra.bhatnagar@gmail.com

With warm regards,

DHIRENDRA BHATNAGAR
Secretary General
